

Cedaredge Middle School Core Values

**District Mission: Caring, Challenging, Learning;
Every Student, Every Day!**

CMS Vision: Attitude + Effort = Success For All!

Cedaredge Middle School values:

- Providing a safe, caring, family environment for learning.
- Providing students with excellent teachers to guide student learning.
- High expectations for the growth and academic achievement of each student achieved through rigor, relevance, and a guaranteed, viable, standards-based curriculum.
- That each individual student has a unique learning style; that success looks different for each student; and that all successes should be celebrated.
- Developing meaningful relationships with students, families, and the community through respect and understanding.
- Challenging all students and recognizes that failure engenders perseverance and helps develop grit.
- Respectful communication at all levels of the educational organization.
- Engaging students, parents, and the community as partners in education through involvement and empowerment.
- An accountable and accessible staff that provides a consistent environment for learning within their classrooms and in the greater school environment.
