## Mrs. Hudson's Headlines

**Happy Monday.** Quarter 4 is well underway and students are working hard. We are excited for **Science Night** which is coming up soon on April 6th from 5:00 - 7:00 pm. This is a great family night and we would love to see everyone attend. We will also be having our annual **Book Fair** next week and it will be open during Science Night as well. Great time to stock up on some books and help support the CMS library.

We have moved the start time of the **Bruin Pride club** meetings to 5:00 p.m. in hopes of a few more parents being able to attend. Our next meeting is today Monday, March 27.

**8th grade parents** have scheduled their next meeting to plan for the 8th grade end of middle school party. It is scheduled for 6:00pm on March 27th, following the Bruin Pride Club meeting in the library.

**State Testing** will continue for the next few weeks following the schedule listed below. It has been going great and I am excited about how hard the students have been working both in their classes and on the state assessments. It truly does matter for students and the school. The results help all of us know more about how are students are doing in terms of mastering state standards. Thanks so much for all your support to help encourage students to do their best.

6th grade: April 4, 5, 6 - Math

7th grade: April 20, 21, 22 - Math

8th grade: March 28, 29, 30 - ELA  
April 4, 5, 6 - Math  
April 19, 20, 21 - Science

Delaine Hudson

## School/Parent Information

**"It is the last week of National Nutrition Month, A Kidz Clinic really wants you to buckle down and make healthy choices! Make sure you are avoiding sugary drinks, eating your fruits and vegetables and getting at least an hour of exercise every day. Build healthy habits and turn them into a lifestyle. Have a great week everyone!"**
