ATTITUDE + EFFORT = SUCCESS FOR ALL!!!

September 5, 2017

Mrs. Hudson's Headlines

Middle School is such a great time for students. Yes, it is a bit crazy, however we love it and we love your kids. We are really going to keep them focused this year on putting forth their best attitude and giving their best effort in all that they do here at CMS. We truly believe attitude and effort lead to success in all things.

Spirit week will be soon, as Homecoming week is the week of September 11th.

Wednesday, September 6th, will be our first field trip for 7th graders. They will be going to Ridgway to study birds and participate in the bird banding.

The 6th graders will be going to Cottonwood Campground on the Gunnison River on Sept. 18th to study the ecology of the area.

Upcoming opportunity for students!!!

Leave no trace training for students that enjoy hiking, exploring, and being outdoors!

There is a **Leave No Trace Training** at The Nature Connection building in Hotchkiss on Wednesday, **September 12th from 4:30 - 6:30**. If students are interested in this training, please email **Reaha Goyetche at asevans54@gmail.com**

There will also be a Trail leadership training on October 7th and 8th with the Volunteers for Outdoor Colorado. There are slots for approximately 11 youth participants.

Participants will have an advantage for trail crew positions hired through our GOCO Inspire, or USFS, BLM trail crews next summer. There may be a nominal charge (\$10-20) for this training and also includes a 4 hour on-line component. First come, first served on signup.

Healthy Kids Survey

CMS will be participating in the healthy kids survey on September 20th. This survey helps to gather information about our students that helps the district get grants that are focused on providing support to our students. You will be receiving information in the mail. You may opt your student out of doing the survey by signing the form and returning it to the school prior to September 20.
