ATTITUDE + EFFORT = SUCCESS FOR ALL!!!

November 27, 2017

Mrs. Hudson's Headlines

I hope you had a great Thanksgiving. We sure enjoyed the break at our house. The end of the semester is December 18th. This is a Tuesday, which is very different from previous years. Please encourage your child to finish the semester strong. The habits they establish in middle school are important for them as they move to high school.

Attendance Policy I want to thank all of you who have worked with us on implementing the new attendance policy at CMS. It is different and requires more communication between home and school. The increased communication has been very helpful on our end, especially in understanding the issues our students encounter daily.

Winter school closures or late start notifications

In the case of school start delays and closures you will be notified by powerschool phone and email messages, facebook, and district and school websites. The local radio and tv stations will also announce school closures and late starts.

Bruin Pride Club

Bruin Pride Club is our parent accountability committee and our parent school improvement group. Our next meeting is today Monday, November 27 at 4:00pm in the office conference room. The time has been changed from 5:00 to 4:00 to better meet the needs of the parents currently attending. I am hopeful the time change will work for you and again, I would really like to encourage you to think about joining the group.
