## Mrs. Hudson's Headlines Colorado's New Teen Sexting

**Law** will be explained to our students this Thursday for 7th and 8th graders, and in the near future for 6th graders. Chief of Police Dan Sanders will be presenting to our students how this law could impact them if they are choosing to send inappropriate material via social media. He will also talk about other community issues that teens face and how their choices can affect them long term. **If you do not want your child to participate, please call the office.** Also, a fact sheet will accompany the email version of the weekly newsletter or you can access it on the CMS website at [cms.deltaschools.com](http://cms.deltaschools.com)

## Healthy Kids Colorado Survey

Last fall our students participated in the HKCS survey. There were not any alarming results, however, I would like to share those results with you. The report will be shared through email with the newsletter and is posted on the CMS website at [cms.deltaschools.com](http://cms.deltaschools.com)

## Bruin Pride Club

Bruin Pride Club is our parent accountability committee and our parent school improvement group. Our next meeting is Monday, February 26th at 4:00pm in the office conference room. I encourage you to attend and look forward to seeing you at the next meeting.

***"Strength grows in the moments when you think you can't go on but you go on anyways. A Kidz Clinic wants you to remember that being there for yourself is just as important as being there for a friend or family member. Remember to talk to yourself with positivity and encouragement and reach out for help when you feel that you need it. You are all amazing."***
