Mrs. Hudson's Headlines

Chromebook Update. Students at CMS will be able to take their chromebooks home beginning January 7th after they have paid the \$35.00 technology fee. The fee needs to be paid by December 20th to the office. Students who do not pay the fee will not have a chromebook during the day. When they need one for class, they will use one from the classroom. Care of the chromebook is the responsibility of the student and parent. It is highly recommended you purchase a case of some type for the chromebook. Responsibility for repairs due to negligence will be billed to parents. Also, we encourage you to monitor their use at home and want to inform you that our system to monitor at school, will also monitor their use at home.
