"Did you know allowing yourself to become dehydrated can leave you more vulnerable to getting sick? It's true! A Kidz Clinic wants you to remember to drink plenty of water throughout the day even though this cold weather tends to leave us feeling less thirsty. Staying hydrated is important not only for general health but also because water helps the body carry nutrients to cells and get ride of toxins. So don't forget your water bottles at home this winter! Have a great week everyone."

Boys Basketball

Tournament Results

Both 8A and 8B did very well executing the game plans, and both teams played hard and clean.

The 8A team took the Trophy! That's the first time since the 2007-2008 season a Cedaredge 8A team has won the championship.

Both 7th A and B played really hard. They never gave up.

We're very proud. They represented Cedaredge well. Congratulations to ALL the boys on a GREAT season!
