ATTITUDE + EFFORT = SUCCESS FOR ALL!!!

## Mrs. Hudson's Headlines

**Tuesday Newsletters and Progress Reports** began last week on Tuesdays as we now only have Crew at the beginning of the day. By sending out progress reports on Tuesdays, teachers have the weekend to do any grading before we print them on Monday afternoons.

**Winter Weather!** January has brought the cold weather to CMS. Just a few reminders about winter weather. Students should wear warm jackets and appropriate footwear, as our playground is covered in snow. Even though it is covered in snow, we still spend most of our recesses outside. The general rule of thumb we use is if it is below 20 degrees, we stay inside. Sometimes, with a wind chill we may come in when it is above 20 degrees. Also, if it is raining or snowing, we will most likely stay inside.

**Chromebooks** have been checked out to those students who paid the chromebook fee. It is important that the students bring them to school each day fully charged. Teachers have chromebooks in their classrooms for those students who did not check them out.
