## Hudson Headlines

This newsletter is dedicated to the amazing students at CMS. We are so proud of all the hard work our kids did the first three quarters, and especially for the grit they showed during the last quarter doing distance learning.

I hope you all have a great summer.

### **Registration for 2020 - 2021**

You will receive an email during late July for you to go online and register for the fall start of school. Currently we are planning for in person learning at CMS.

We also require that you come to the school to complete registration. Our official registration day is August 6 from 7:30am - 3:00pm. We look forward to seeing you.

## Outdoor Basketball Court HELP NEEDED

As we have the new fitness course installed we are also planning to move the basketball hoops out of the parking lot to an outside basketball court. In order to make this happen we are looking for donations of money to complete the project. Right now we are needing to raise \$8,000.
