ATTITUDE + EFFORT = SUCCESS FOR ALL!!!

Mrs. Hudson's Headlines

We have worked hard to implement procedures at CMS to ensure student and staff safety while having school as normal as possible. The procedural changes to help stop the spread of Covid 19 are in place and becoming more routine each day. It has not been easy, however your kids are doing an amazing job adjusting to the changes.

As the year progresses communication will be imperative between school and home. We will be communicating through this newsletter, powerschool email, text, and phone calls, and our website. As the pandemic continues we will be working through many situations and will communicate with you regularly. We also welcome your calls at the school as well.

Progress reports and newsletters will be handed out to each student on Mondays. They should bring them home each week to share with you. Newsletters start today and progress reports start next Monday.
