Mrs. Hudson's Headlines

Update on Covid 19

The district and the county health department continue to monitor the rising number Covid 19 infections in Delta County and how it affects students. The main thing that gets confusing is the question of how long a student has to stay out of school if they are home with symptoms? Right now, students must be symptom free for 24 hours before returning to school. We are expecting some new guidance this week and will share that with you as it becomes available.

Our goal is to be able to stay in-person for the whole school year as we love having our kids IN SCHOOL!

Parent Accountability Committee

CMS will have 3 more accountability meetings which will be held on November 30, 2020; February 22, 2021; and April 26, 2021. Meetings will be at 4:00 pm in the school library. It would be so awesome to have parents attend the meeting.

BUS NUMBER CHANGE

Effective November 9, 2020 students currently riding bus #184 will change to bus #167 (Cory Store Bus) and students currently riding bus #185 will change to bus #184 (North Cedaredge Bus). **This is a bus number change only.**

Go Bruins!!!

Volleyball and Football

This is our last week for football so come on out on Thursday and watch CMS play North Fork. The games will be on the field at Cedaredge High School. Last week both of our teams won their games against Gunnison Middle School.

Inclement Weather

The time has come when students will need to be prepared for cooler weather. We will be outside as much as possible throughout this fall and winter so it is incredibly important that students come with appropriate clothing for cold weather. **We will be staying outside unless the temperature drops below 10 degrees.** Students need to dress warmly during cold weather.

Sports Physicals

All students participating in sports must have a physical prior to being able to practice. You can schedule a physical at A Kidz clinic by calling 874-2753
