Our goal at Cedaredge Middle School is to provide a quality education. Basic instructional skills include the following:

1. Reading, speaking, listening, writing
2. Mathematics
3. Science
4. Social studies
5. Physical education
6. Creative and critical thinking skills and problem solving life skills
7. Skills for getting along with others.

### **Activities and Athletics:**

Your involvement in the total school program will be a key factor in your success at CMS and in your future endeavors! We encourage you to take advantage of the many opportunities we provide. CMS boasts an active sports program for 7<sup>th</sup> and 8<sup>th</sup> grade students. Students are encouraged to participate in these activities regardless of their skills. Participation is also a privilege! Athletes are required to have a current physical exam on file with the school before beginning the sport.

### **Activities and Athletics Participation:**

1. Students must be eligible academically to participate in any extracurricular activity or competition.
2. Students must ride the school bus to and from athletic events unless prior arrangements have been cleared through school administration.
3. Students may only be released to a parent/guardian after an athletic event. (Unless prior approval is obtained from the administration.)
4. Students will only be issued one uniform per season and will be responsible for returning the uniform. Any student who loses or damages a uniform will be billed the appropriate replacement fee.
5. Students who are 15 years old or older on September 1<sup>st</sup> of the current school year are too old to participate in middle school athletics.
6. Students must be in attendance for a minimum of 1/2 day (4 periods) to participate in any extra curricular activity.
7. Students will be charged a nonrefundable \$40.00 fee for each extracurricular activity in which they participate.

### **Conduct at athletic events:**

1. Show pride in CMS.
2. Consider all opponents as guests.
3. Show compassion for an injured opponent.
4. Accept all decisions of the official without complaint.
5. During volleyball and basketball games, stay seated until a timeout is called or a game has ended.
6. **Individuals who do not conduct themselves accordingly will be asked to leave.**

If students attend CMS home games for volleyball, basketball, or wrestling, they are expected to **stay in the gym to watch the games**. Students should not be in any other area of the building.

### **Attendance:**

#### **Student Absences and Excuses**

One criteria of a student's success in school is regular and punctual attendance. Frequent absences may lead to poor academic work, lack of social development and possible academic failure. Regular attendance is of utmost importance for school interest, social adjustment and scholastic achievement. No single factor may interfere with a student's progress more quickly than frequent tardiness or absence.

It is the obligation of every parent to ensure that every child who is of compulsory attendance age attends school.

Continuity in the learning process and social adaptation is seriously disrupted by excessive absences. In most situations, the work missed cannot be made up adequately. Students who have good attendance generally achieve higher grades enjoy school more and are more employable after leaving school. For at least these reasons, the Board believes that a student must satisfy two basic requirements in order to earn full class credit: (1) satisfy all academic requirements and (2) exhibit good attendance habits as stated in this policy.

### **Excused absences**

The following shall be considered excused absences:

1. A student who is temporarily ill or injured or whose absence is approved by the administrator of the school of attendance on a prearranged basis. Prearranged absences shall be approved for circumstances that cannot be taken care of outside of school hours.
2. A student who is absent for an extended period due to physical, mental or emotional disability.
3. A student who is pursuing a work-study program under the supervision of the school.
4. A student who is attending any school-sponsored activity or activities of an educational nature with advance approval by the administration.
5. A student who is suspended or expelled.

As applicable, the District may require suitable proof regarding the above exceptions, including written statements from medical sources.

### **Unexcused absences**

An unexcused absence is defined as an absence that is not covered by one of the foregoing exceptions. Each unexcused absence shall be entered on the student's record. The parent of the student receiving an unexcused absence shall be notified orally or in writing by the District of the unexcused absence.

In accordance with law, the District may impose appropriate penalties that relate directly to classes missed while unexcused. Penalties may include a warning, school detention or in-school suspension. Out-of-school suspensions or expulsion shall not be imposed for any unexcused absence.

The administration shall develop regulations to implement appropriate penalties. The school administration shall consider the correlation between course failure, truancy and a student dropping out of school in developing these regulations and shall implement research-based strategies to re-engage students with a high number of unexcused absences.

Students and parents may petition the Board of Education for exceptions to this policy or the accompanying regulations provided that no exception shall be sustained if the student fails to abide by all requirements imposed by the Board as conditions for granting any such exception.

The maximum number of unexcused absences a student may incur before judicial proceedings are initiated to enforce compulsory attendance is four unexcused absences in a month or ten unexcused days during any calendar year or school year. School administration will notify parents in writing at the third unexcused absence in a month and/or the 7th and 10th unexcused absence in a year.

### **Make-up work**

Make-up work shall be provided for any class in which a student has an excused absence unless otherwise determined by the building administrator or unless the absence is due to the student's expulsion from school. It is the responsibility of the student to pick up any make-up assignments permitted on the day returning to class. There shall be 2 days allowed for make-up work for each day of absence.

Make-up work shall be allowed following an unexcused absence or following a student's suspension from school with the goal of providing the student an opportunity to keep up with the class and an incentive to attend school. This work may receive full or partial credit to the extent possible as determined by the building administrator. There shall be 1 day allowed for make-up work for each day of absence for unexcused absences.

Unless otherwise permitted by the building administrator, make-up work shall not be provided during a student's expulsion. Rather, the District shall offer alternative education services to the expelled student in accordance with state law. The District shall determine the amount of credit the expelled student will receive for work completed during any alternative education program.

### **Tardiness**

Tardiness is defined as the appearance of a student without proper excuse after the scheduled time that a class begins. Because of the disruptive nature of tardiness and the detrimental effect upon the rights of the non-tardy student to uninterrupted learning, appropriate penalties may be imposed for excessive tardiness. Parents shall be notified of all penalties regarding tardiness.

In an unavoidable situation, a student detained by another teacher or administrator shall not be considered tardy provided that the teacher or administrator gives the student a pass to enter the next class. Teachers shall honor passes presented in accordance with this policy. The provisions of this policy shall be applicable to all students in the District, including those above and below the age for compulsory attendance as required by law.

### **Breakfast of Champions:**

The CMS *Breakfast of Champions* will be held in the cafeteria. This event will honor students who have demonstrated outstanding achievement during the 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> nine week grading periods. Parents of the honored students are invited to attend the award breakfast. Invitations will be issued to students who meet at least one of the following criteria.

During the 1<sup>st</sup> grading period:

-Received a G.P.A. at or above 3.8

During the 2<sup>nd</sup> & 3<sup>rd</sup> grading periods the following selection criterion will be added:

-Improved a letter grade in at least two subject areas

-Not regressed in any subject

-No grade less than a C

### **Bullying:**

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

Acts of bullying can be in written or verbal expression, physical act or gesture, or a pattern thereof, which is intended to cause distress upon one or more students in the school environment. For purposes of this policy, the school environment includes school buildings, grounds, vehicles, bus stops and all school sponsored activities and events. A student who engages in any act of bullying is subject to appropriate disciplinary action including suspension, expulsion and/or referral to law enforcement authorities. The severity and pattern, if any, of the bullying behavior shall be taken into consideration when disciplinary decisions are made.

If your student has or is experiencing bullying please contact your school administrators.

### **Buying or selling on school property:**

Students are not allowed to buy or sell anything on school property that is not sponsored by a school activity.

### **Cafeteria and lunch break:**

Students may purchase breakfast or lunch in the cafeteria or bring a lunch from home.

The rules for lunch are:

1. Students are responsible for their own clean-up and tray return.
2. Quiet, orderly behavior is expected.
3. Follow the directions of all adult supervisors. Show respect and respond positively to their directions.
4. "Cuts" in line or saving places in line are not permitted.
5. Students are not allowed in the hallways and will not be allowed to go back to their lockers or classrooms during lunch.
6. Students are not to leave CMS grounds without office approval.
7. All students must eat in the school cafeteria.
8. Students may stay in the cafeteria after eating or go to the designated area outside.
9. **Students must use the restrooms in the cafeteria area.**

If lunch rules are not followed, students can expect consequences, which may include lunch detention, work assignments, and/or loss of lunchroom and outside privileges.

Students are encouraged to pay for their lunches in advance. If you feel you may be eligible for the free or reduced lunch program, please contact the office.

### **CMS Dances:**

Dances are generally scheduled throughout the school year. Two will be during the school day and students must be eligible to attend. There may be one evening dance.

### **Early Release:**

There are five early release days throughout the school year. On these days school will end at 12:40. Thus, buses will be about two hours early.

### **Discipline Philosophy:**

One of the most important lessons education teaches is discipline. While discipline does not appear as a subject, it underlines the whole educational structure. Discipline is the training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people.

Consequences from discipline are tools used to change behavior. We will focus our conferences with students and parents on changing the inappropriate behavior. With the understanding of the purpose of discipline in a school, you have the responsibility of making school an effective place for learning by developing good behavior at all times.

### **Discipline process:**

Teachers establish their own classroom rules. You will be held responsible and accountable for knowing and abiding by the rules. In order to live and function in our society, rules and regulations are essential. Students are expected to be reasonably diligent in carrying out their school obligations. Failure to be responsible in adhering to school regulations means that a student is guilty of misconduct and may lose the privilege. Students will be given every opportunity to achieve success. Those students who persist in being behavior problems will be subject to disciplinary action. Unacceptable behavior will be subject to disciplinary action if it occurs while a student is in the building, on school grounds, at school-sponsored activities, in a school vehicle, or at a school bus stop.

The following measures may be used by the Administrator/designee upon receipt of a student discipline referral:

- Lunch detention
- After school detention (with prior parental notification)
- Loss of privileges/extra-curricular activities and field trips
- Change of class schedule/teacher
- Student/parent/school officials' structured conference
- Specialized contract developed
- Parent attending school with student
- Progress reports
- In school suspension
- Out of school suspension
- Expulsion

### **Dismissal during the school day:**

All students are expected to remain on campus for the entire day. Students must have permission from their parent/guardian and from the office in order to leave campus before 3:23 p.m. If students must leave campus for a prearranged appointment, a parent or guardian must check them out at the office.

### **Displays of affection (PDA):**

Public displays of hand-holding and affection are not felt to be in good taste at Cedaredge Middle School. Students are required to refrain from such action. Affectionate displays may be reason for disciplinary action.

### **Dress Code:**

Students are expected to be well groomed and tastefully dressed for school. The following items are considered to be violations:

1. Wearing any items of apparel, which disrupt school or class activities (at the discretion of school personnel).
2. Clothing must be modest. Shirts and blouses must have four-inch shoulders. Garments must not expose cleavage, bellybuttons, private regions, under garments, or upper legs
3. Students wearing low cut and/or baggy clothing may be asked to change clothes.
4. Going bare foot. Students must wear shoes.
5. Wearing sunglasses, hats, or caps in the building.
6. Wearing items that promote drugs, alcohol, tobacco, or contain inappropriate language or symbols.
7. Shorts and dress hems should be at or below fingertip length when the arm is extended.
8. Wearing pajamas or any other sleepwear is not allowed during regular school day.
9. Chains hanging on outside of pants.

Students who wear inappropriate items must wait in the office until a parent/guardian brings replacement clothing.

### **Drugs/Alcohol/Tobacco/Lighters:**

The possession or consumption of the above named items is **prohibited** on school grounds and in the buildings at Cedaredge Middle School. Violations will result in disciplinary action.

### **Electronic Devices:**

Radios, tape decks, CD players, iPod's, MP3 players, laser pointers, beepers, cellular phones, hand-held games, etc. are prohibited from first bell to last bell. **The school is not responsible for the loss or retrieval of these items.**

### **Extracurricular Activity Eligibility:**

Eligibility lists are created every Thursday for every student and for all grades. If a student has any failing grade during a week, he/she is ineligible to participate in **ANY EXTRACURRICULAR** activities for the next week. Athletic ineligibility lists are kept from the first day of practice and become effective after the first contest. **Eligibility is granted as long as the student's class attendance is not compromised and the student is in good academic standing.**

### **Field trip behavior:**

Students who participate in field trips become representatives of Cedaredge Middle School and the entire Delta County school system.

1. Remain with your assigned groups at all times.
2. Follow the directions of the group leader.
3. Demonstrate good conduct on the bus.
4. Keep your field trip privilege by behaving appropriately at all times.

**Eligibility for attending field trips is granted as long as the student's class attendance is not compromised and the student is in good academic standing.**

### **Fire drills:**

Fire drills are held periodically throughout the school year. Remember these basic rules:

1. Check the posted instructions in each classroom indicating how to leave the building in case of fire.
2. Walk. No talking. Move quickly and quietly to designated area.

### **Levels of awareness**

CMS emergency action procedures.

-Please refer to Delta County School District Safety Flip Chart

### **Hall lockers:**

Each student in grades 6-8 will be assigned a hall locker at the beginning of the year. We ask that students store their jackets, hats, and other outdoor clothing in their hall lockers. You are responsible for keeping your lockers neat and clean. **For your protection, be sure your lockers are properly locked. Do not share your lockers or locker combinations with other students.** CMS does not take responsibility for items taken from lockers. If you have problems with your locker, see the office staff. No locker or locker partner is to be changed without office approval. Overloading damages lockers; therefore band instruments are to be stored in the band lockers. **No perfume, cologne, or hair spray is allowed inside any locker. THE SCHOOL RESERVES THE RIGHT TO CONDUCT LOCKER SEARCHES WITHOUT PRIOR NOTICE OR PERMISSION FROM STUDENTS.**

### **Hall passes:**

Students may go to the school cafeteria or wait outside in designated areas prior to the start of the school day. No student is to leave the classroom without a pass and the teacher's permission.

### **Hall procedures:**

Students are allowed to be in the halls while moving from one class to another; otherwise, they must have a pass from the teacher or office staff. Students are expected to be courteous at all times and to keep to the right when moving down the halls.

### **Health:**

Students **must** have a pass to come to the office for illness, except in the case of an emergency. Acetaminophen (e.g. Tylenol, no-aspirin) may be given to a student at school **only** by your parent/guardian. Medication may be given at school provided the appropriate forms are filled out and **the policy is followed correctly. The medication must be in its original container and has an accompanying note signed by PARENT AND PHYSICIAN giving permission for the medication to be given here at school.** The time of day when medication should be given also needs to be noted. See the office staff for long term medication arrangements.

### **Homework:**

Homework is accepted as a part of life a CMS. Homework reinforces class work and gives students the opportunity to practice responsible behavior. Teachers assign homework on a regular basis. Homework is graded and makes up a significant part of your grade. Specific homework policies will be given by the teachers.

### **Honor roll:**

At the end of each grading period, students who have attained a grade point average of 3.2 or higher (using a 4.0 scale) will have their names released as honor students. Students with a D or F are not allowed on the honor roll.

### **In School Suspension:**

In school suspension is used in more severe offenses or repeated minor offenses. The student is placed in supervised isolation where he/she will do regularly assigned class work for full credit. The student will be allowed restroom/water breaks and lunch separate from other students. Failure to abide by the rules of In School Suspension will result in the student completing the suspension time out of school.

### **Library & Computer Lab use:**

Students are expected to be orderly and quiet and observe library, computer lab, and Internet rules.

### **Make-up work:**

It is **your responsibility** to make-up work that has been missed because of absences or tardies. **Students** must make arrangements with teachers for make-up work upon returning from an absence. Two days to make-up assignments are allowed for all absences.

In case of **prolonged** illness, parents may request that homework and assignments be collected through the office. When the parent requests this service, the make-up work will be ready for pick-up the following day after 3:25 p.m. (24 hours). This allows time for teachers to collect materials. This homework is due upon the students return to school.

### **National Junior Honor Society:**

CMS is in the process of creating a charter to have a chapter of National Junior Honor Society for eligible students. Students will become eligible based on GPA, and then will be recommended by staff based on character, school involvement, and citizenship. More details to come.

### **Out of School Suspension:**

Out of school suspension is for more serious offenses and, in some cases, is mandated by **State Law**. This type of suspension results in the removal of the student from school for a period of time, as deemed necessary by the Administration. Parents/guardians will pick the suspended student up from school immediately, or as soon as reasonably possible. Students can receive 50 percent credit for make-up work completed.

### **P.E. requirements:**

1. Dressing out is required. We recommend that students purchase CMS P.E. apparel.
2. Required: one pair of athletic shoes for P.E. only—non-marking soles, appropriate PE shorts or sweatpants, and T-shirt or sweatshirt.
3. The school reserves the right to conduct P.E. locker searches without prior notice or permission from students.

Students will be charged \$5.00 for the use of a P.E. lock. The fee will be returned at the end of the year if the lock is returned in working condition.

Students wanting to be excused from P.E. for more than three consecutive school days should have an excuse from the doctor.

### **Personal items:**

The school is not responsible for the loss of personal valuables. A “Lost and Found” box is located in the office. Also, “Lost and Found” containers are located in the hallways. If you have to bring a valuable item from home for a special class activity, we recommended that you check it into the main office.

### **Perfect attendance:**

Perfect attendance means perfect. For perfect attendance, a student must be in attendance every school day, all day.

### **Progress Reports:**

We will also hand out progress reports each Monday during PE. Students who have one or more failing grades will go to their intervention teacher during PE until they have all passing grades.

If school at CMS must be cancelled due to adverse weather or some other reason, the cancellation will be posted through the district web site at ([www.deltaschools.com](http://www.deltaschools.com)) and you will receive an automated message from the school.

**Student of the Month:**

CMS recognizes students who demonstrate citizenship, shows a positive attitude, demonstrates good work ethic, and strive to be their best. All students are eligible for this recognition, regardless of G.P.A.

11. To behave properly at all school activities.
12. To have permission before leaving school during the school day.

### **Tardiness**

The tone of each class period is set during the first few minutes of class and an important portion of the daily lesson is presented. **Be on time.**

### **Textbooks**

Each student is assigned and is responsible for the individually numbered textbooks for various classes. Students are required to write their names in ink inside the front cover of each assigned book. The cost of damaged or lost books will be billed to parents on a prorated basis. Report cards and school records will be withheld until payment is made.

### **Visitors**

All visitors are to be asked to use the front doors and report to the main office and register with the secretary as soon as they enter the building. Visitors must obtain a visitor pass. Students are not allowed to bring other student visitors to school.

### **Weapons**

Knives of any kind should not be brought to school. By Colorado State Law, a **mandatory expulsion** is required for any student who possesses a knife with a blade over three inches on school property. Any knife on school property can be grounds for a suspension. Knives brought to school with a blade of three inches or less will be confiscated only returned to an adult at a time deemed acceptable by the building Administrator. State Law prohibits guns, facsimile weapons, or other dangerous materials that could cause harm or endanger the safety of others. Expulsion shall be mandatory for carrying, bringing, using, or possessing a deadly weapon without the authorization of the school or school district, in accordance with State Law.

### **Withdrawal from school**

Students who are transferring to a new school must contact the office secretary. **Students must have a note written and signed by their parent/guardian** indicating that they will be leaving. When the note is presented, the student will take a withdrawal form to each teacher before leaving.
